

## DESIGN

Easy-in easy-out access to device for fast-paced scanning.

Rotating belt clip for quick attachment to clothing or belt.

Accessory pocket on front made out of elastic mesh.

D-rings allow for optional shoulder strap.

## UltimaCase Designs Holster Solution for Liquor Superstore's Scanners.

A liquor superstore was looking for a low-profile carrying solution that included some storage space and held their TC5X scanning devices securely.

UltimaCase met the customer's needs by designing a slim holster that doesn't obstruct employees' everyday actions at work and has an accessory pocket to hold shelf tags.

## FEATURES

Slim and lightweight for easy carrying and maneuverability.

Durable, easy-care Ballistic Nylon exterior.

D-rings and belt clip gives options to carry with waist belt or shoulder strap.
